It's easy to spot a Volkswagen. Even with enough snow on it to hide the be

You can park a VW outdoors in sub-zero weether or dig it out of a soowback; it's ready to roll as soon as you have the key.

If you happen to live where ice and snow are so problem, don't likelk you can't judge the VW's sutra-ordinary abilities.

Just try it is send or mud.
